

DATE: May 05, 2026

RFQ ISSUANCE DATE: April 30, 2026

DEADLINE FOR QUESTIONS: May 08, 2026, at 18:00 (Kyiv time)

SUBMISSION DEADLINE: May 19, 2026, at 18:00 (Kyiv time)

AUTHORITY: Prime Contract No. 72012124C00003

COUNTRY: Ukraine

DESCRIPTION: Request for Quotations No. RFQ-PRG-SPARC-2026-031 “Procurement of Blok-modular dual-fuel (gas/ diesel) boiler house 5 MW”

COMPANY: Tetra Tech ES, Inc.

E-mail: esi.sparc.procurement@tetratech.com

Description: The ***Securing Power, Advancing Resilience and Connectivity (SPARC) Program***, implemented by Tetra Tech ES, Inc., supports Ukraine’s energy sector by strengthening resilience, improving reliability, and ensuring continued connectivity of critical power infrastructure. This procurement aims to deliver essential resources to system operators to sustain energy security during wartime and post-wartime recovery.

A detailed RFQ and required documentation are available through the bid portal at [THIS LINK](#).

All offers must be submitted no later than May 19, 2026, at 18:00 (Kyiv time).

Point of contact for questions related to quotation submission process: ESI.SPARC.Procurement@tetratech.com
Point of contact for questions related to solicitation portal: SPARC.Support@tetratech.com.

We look forward to receiving your proposal,
Procurement Team, Tetra Tech ES, Inc.
